

Her commitment to helping local businesses grow was palpable, as she advocated tirelessly for its members, brought members of the Chamber together through events, helped to transform the Chamber's marketing and outreach efforts, and more. Aside from her work in the chamber, Beth is a beloved member of the LaGrange County community and intends to remain active in retirement.

I am proud to include in the RECORD this document as a testament to Beth's work and legacy. Because of her, more Hoosiers in LaGrange County have good jobs, can support their families, and enjoy a higher quality of life. Although she will no longer lead Chamber, her legacy will endure, and her commitment to the community and state will serve as a proud example for others in the years to come.

IN HONOR OF HEALTHCARE  
WORKERS

**HON. ROBERT B. ADERHOLT**

OF ALABAMA

IN THE HOUSE OF REPRESENTATIVES

*Tuesday, November 23, 2021*

Mr. ADERHOLT. Madam Speaker, I would like to offer my sincere gratitude and admiration for the healthcare workers in Alabama's 4th Congressional District, Northern Alabama, and our entire state. We have all heard stories about individuals in the healthcare field who have gone beyond the call of duty during the Coronavirus pandemic. From all across my district, and throughout our state, constituents have nominated some amazing medical workers, and it is my privilege to honor 519 of these individuals today in the CONGRESSIONAL RECORD.

Throughout the COVID-19 pandemic, we have seen heroic work done to fight the virus on the front lines. Doctors, nurses, first responders, and everyone who has worked tirelessly in the medical field during this past year deserve all the thanks we can give them. They have kept us safe and healthy in a time when we needed it most.

Over the past 15 months I have visited hospitals, talked with those on the front lines of the fight, and visited vaccine clinics throughout my district. I have been overwhelmed by the outstanding work being done each and every day. It has been a constant battle for these healthcare heroes, but they have risen to the task every step of the way. I have no doubt in my mind that these amazing men and women have made a big difference in Alabama's bout with COVID-19.

It is for those reasons, and so many more, that I want to honor the healthcare heroes of Northern Alabama. They deserve nothing less. Thanks to the submissions from my constituents in Alabama's 4th Congressional District, I include in the RECORD 519 healthcare heroes from Dekalb Regional Medical Center. When history looks upon this trying time in our country, they will find the names of the men and women of Alabama who courageously took on the fight to keep the rest of us safe.

With my utmost gratitude, may the legacy of these 519 healthcare heroes live on well into the future.
